Honiton

The people of St Paul's extend a warm welcome to anyone who would like to worship with us or find out more about the Christian faith or join with us in the many activities meeting here.

Worship at St Paul's

St Paul's Church is in Honiton Deanery and is part of Honiton Mission Community along with four local village parishes of Awliscombe, Buckerell, Combe Raleigh and Gittisham.

Honiton Mission Community seeks

- To communicate God's love
- To reach out to others through pastoral care, participation and worship

Resident of Honiton or pilgrim from far away, may you find tranquillity here.

No-one is a stranger in this Church, where God as loving Father is waiting for you.
